

LEAD South

LEAD South: Inaugural Class of 2023

In 1986, the South Texas Business Partnership, formally the South San Antonio Chamber of Commerce, recognized a need to identify, develop, and motivate potential leaders in the community to address the needs of the Southside of San Antonio and the City South Leadership Academy was formed. It evolved over the past 35+ years and remained as strong and lively as the community it served.

In 2022, the brand and organizational evolution of South Texas Business Partnership (SoTx) was initiated as a larger strategic effort to position both the Southside and South Texas region as a unified and strong destination for investment. Building on its core business model focused on emphasizing leadership development, expanding access to resources, and leveraging opportunities, SoTx expanded the mission to the south. The rebrand from CSLA to LEAD South aligns with the goal of attracting the next generation of leaders, visionaries, and businesses in not only San Antonio, but the entire South Texas region.

During the eight-month program, LEAD South participants are exposed to a wide array of venues, knowledgeable speakers, and educational tours. The academic focus is on such topics as economic and community development, personal/professional development, and internal/external relations.

If you are interested in being a part of a rewarding, hands-on program and are willing to be a committed member of our organization and its mission, please fill out and submit the attached application. We are looking for a diverse group of people who are enthusiastic, motivated, and ready to focus on their personal growth.

Applications are due Wednesday, August 31, 2022. The tuition payment deadline is Friday, September 23, 2022. Class will begin with a two-day retreat and meet monthly for 8 months.

We thank you for your interest and look forward to your participation.
